# SAM'S SEVEN EASY STEPS TO BECOMING A PATRON OF HIS ARTS:

**STEP 1**: Go To [www.patreon.com/roostertails](www.patreon.com/roostertails)

**STEP 2**: Type in amount to donate per comic and click "BECOME A PATRON" button
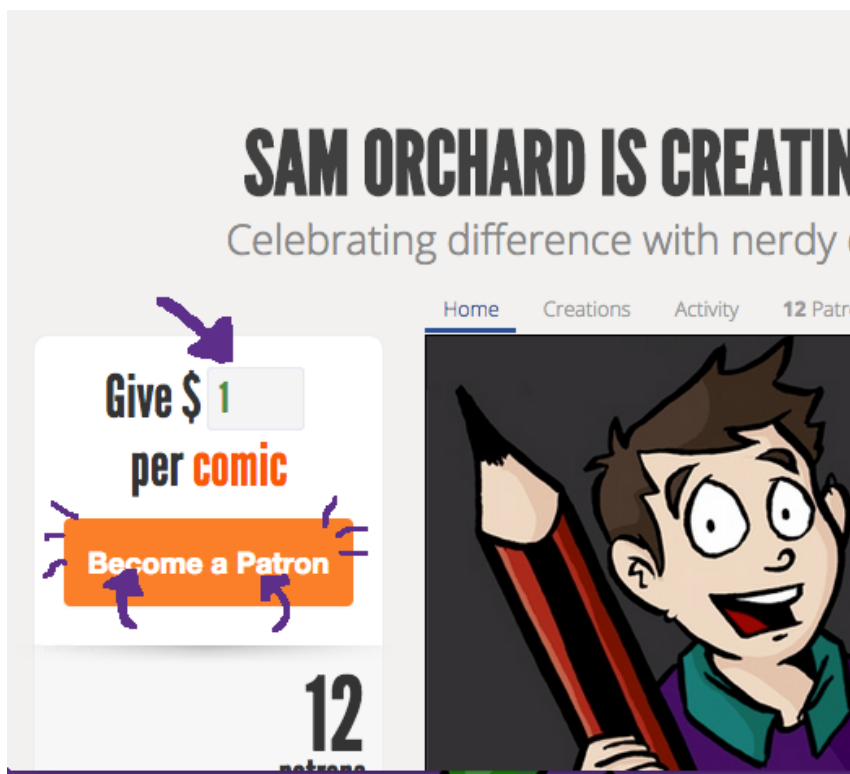

**STEP 3**: Choose a reward – if you donate $2 or more per comic I will send you blog posts with my creative process. $5 or more and I'll send you secret stuff about the Family Portraits series. If you don't want me blathering at you just click "no reward";. Then click: CONTINUE TO CONFIRMATION

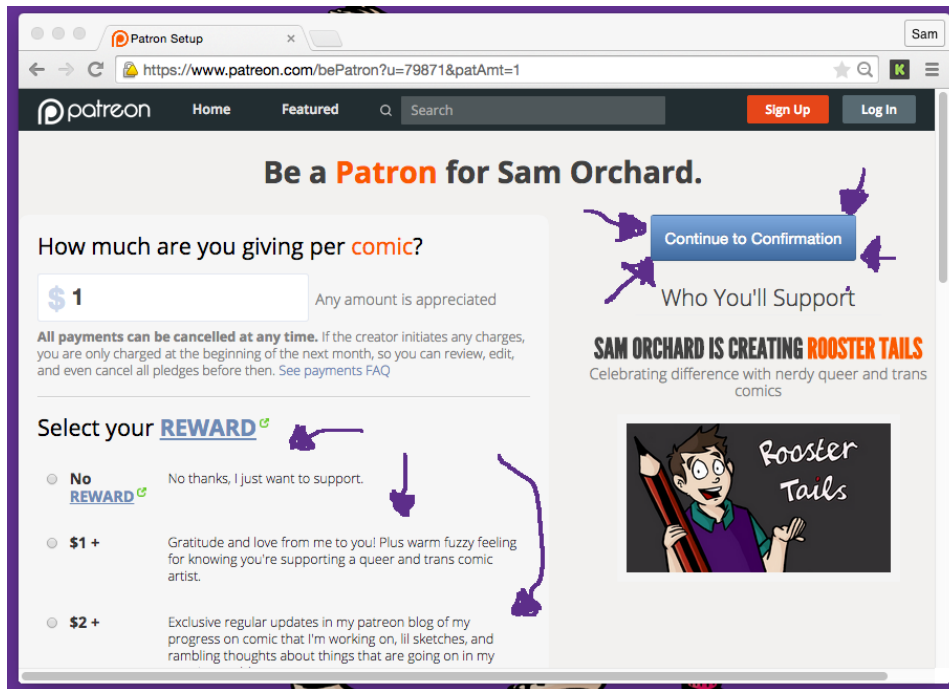

**STEP 4:** Create and account - Either create an account using your facebook profile, or set up account in the traditional way entering your username, email and password
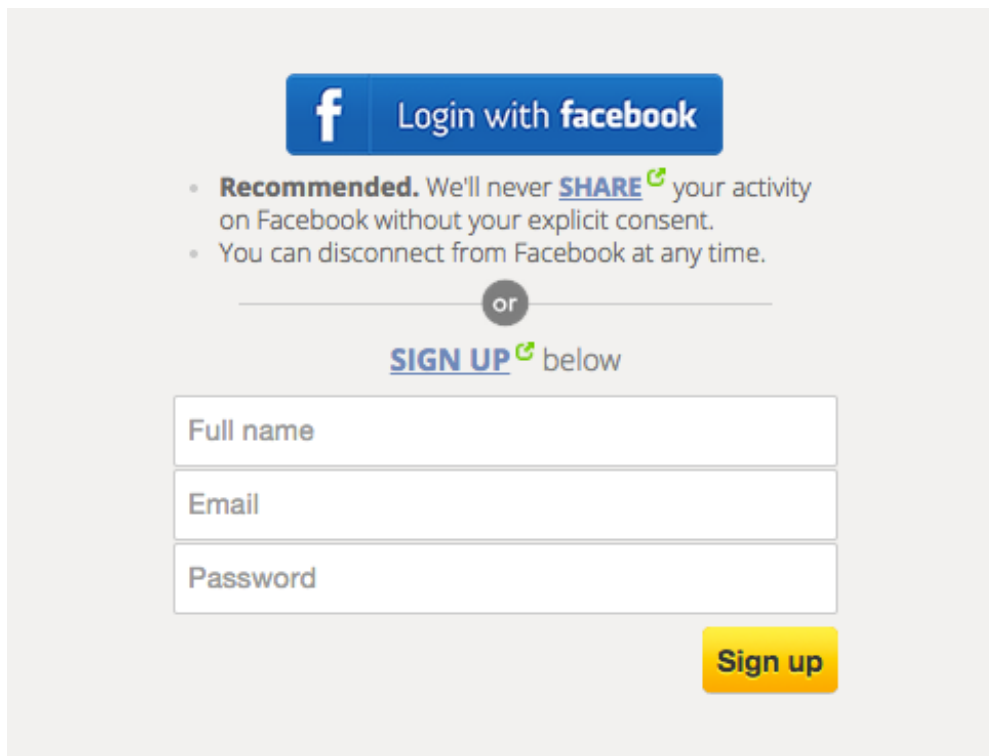

**STEP 5:** Enter a maximum monthly amount in case you're worried about me producing too many comics in a month. So you may wish to support me for $2 a comic, but only have a maximum spend of $6 per month. Then press "CONFIRM AND ENTER PAYMENT INFO"

**STEP 6:** Enter your credit card number, expiration month and date, and your CVC (your CVC is that little 3 digit number on the back of your credit card) then click the pledge button.

**STEP 7:** That's It! Relax and feel amazing, 'cause you just helped a queer and trans comic artist obtain a sustainable income to help continue doing his comics!
